Super Power:

Working at an ice cream shop looks like a fun job from the outside, but it's a lot of hardwork! The customer can be demanding, it can get really hot and there can be lots of pressure. Employees work mainly evenings and on weekends, so you're working while your friends are having fun. You also have to pick up the trash, wash dishes, clean the bathrooms, floors etc. Do you think you could handle that?

Use the rest of this page to tell us why you think you will like it. You don't have to write a lot, but tell us why you feel you'll enjoy being part of the team at Ron's Ice Cream and Bowling! We base a lot of our decision on how you answer this question.

I certify that my answers are true and complete to the best of my knowledge.

If this application leads to employment, I understand that false or misleading information in my application or interview may result in my release.
